For sale a nice penthouse in the complex of Bahia de Los Menceyes, Palm Mar. It consists of attractive mature subtropical gardens and a heated pool, located literally a few meters from the ocean. This complex is located in Palm Mar, a very privileged and quiet area.

This penthouse is introduced by an elegant entrance with two bedrooms with their bathrooms en suite; one with private terrace. A hallway leads to the kitchen, passing through a guest toilet and a fully equipped laundry room. This Italian kitchen has a Silestone countertop and state-of-the-art appliances. The living room is divided into two parts, the dining room and the living room. Marble floors complement these areas, as do the large windows with 360-degree sea views.

Upstairs there is a separate entrance to the solarium or master bedroom which includes a dressing room and a bathroom.

There is also an underground garage of 55 m2, air conditioning, water softener, marble floors and double glazed aluminum windows and an outdoor kitchen.
