This beautiful rural property "Finca ParaÃ-so" is situated in Las Palomas (El Salto), the south of Tenerife and not too high up, so the same good climate as in most of the south of Tenerife. The finca is ideal as a rural hotel and is accessible through an automatic gate. When you enter by car there is immediately next to the entrance a cave with an indoor area of 205 m², a storeroom, a workshop and also plenty of parking space. On the left you will see the large swimming pool with chill zones, waterfall, jacuzzi and the spacious main house with 3 bedrooms. A little further on the right there is a cave with 2 bedrooms and the little studio. Then the children's pool with chill zone and the twin pool houses each with 1 bedroom. Further on the BBQ area, bar and campfire place. At the back is the Garden villa and another cave. Furthermore, there are two large plots of land (one directly at the finca and one above the finca) which could possibly be used for yurts or other nice wooden houses, for example. Nothing has been done with these two plots yet, they are however completely prepared, so flat and cleaned. The total plot is 6.779 m², of which 1.167 m² is built on. House 1: 199,10 m²; House 2: 76,15 m²; House 3: 65,15 m²; House 4: 73,55 m²; Studio: 27,25 m²; Cave 1: 105,50 m²; Cave 2: 75,40 m². Cave garage and workshop: 205 m². Everything is completely finished and super tastefully and authentically decorated. It is sold with a licence (on the company name)
