Complex:
Location: Callao Salvaje
Type: Villa
Bedrooms: 8
Bathrooms: 9
Reference: A8CS2119
Built size: 995m2
Plot size: 1876m2

We have for sale a luxury villa is located in the corner of Callao Salvaje, a cul-de-sac with 100% privacy. The house is very spacious with several opportunities for exploitation, as a house for a large family or as a mini hotel. It consists of 8 bedrooms, 9 bathrooms, 4 kitchens equipped with appliances, 2 offices, 2 living rooms and 2 dining rooms, furniture partially included, a sports room on the ground floor with rest area. Barbacú area with dining area and fully equipped kitchen, decorated with natural wood with stone countertop. The very well-kept garden with incredible views of the sea and the island of La Gomera, there is a heated pool, around a lot of sunbathing space and a very comfortable area to relax in the jacuzzi taking advantage of magnificent sunset. A guest house with everything you need to rest including kitchen, living room, bathroom and 2 bedrooms. Around second floor with 2 master bedrooms, 2 bathrooms, living room with dining room and office surrounded by large terrace with rest corners and magnificent sea views. Automatic wrought iron door to a private garage and more room in the garden to park a car. What is very important is the direct access from the street, as well as the access to the pool. Also on this floor there is a laundry room, a workshop and a storage room, access for the disabled.
