We have this townhouse with large terraces and fantastic views of the sea and La Gomera. The house has been built around the year 2000 and is in the best condition, has 4 bedrooms, 4 bathrooms, large living room, the kitchen is independent and fully equipped. In the basement there is a huge garage (electric door) with space for 2 cars, and there is also an additional bedroom with bathroom, and due to the window has natural light and ventilation.

This house is ideal for a family with children, and is located in a quiet residential area, but not far from all services such as: shopping center, restaurants, bars, ...!

The complex has 2 communal swimming pools.
